Notes to and forming part of the financial statements

For the year ended 30 June 2022

1. Summary of significant accounting policies

(a) Basis of preparation of accounting

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures, the Associations Incorporation Reform Act 2012 and the Australian Charities and Not for Profits Commission Act 2012. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Under Australian Accounting Standards, there are requirements that apply specifically to not-for-profit entities that are not consistent with International Reporting Standards (IFRS) requirements. The Association has analysed its purpose, objectives and operating philosophy and determined that it does not have profit generation as a prime objective. Consequently, where appropriate the Association has elected to apply options and exemptions within the accounting standards which are applicable to not-for-profit entities.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated. Comparative information has been reclassified where appropriate to enhance comparability. The following is a summary of the material accounting policies adopted by St. Catherine's Hostel (Wangaratta) Inc. ("the Association") in the preparation of the financial report. The accounting policies have been consistently applied to all years presented.

(b) Revenue

Revenue from Government subsidies, resident fees and daily accommodation payments, are recognised overtime as the performance obligations are met being as the related services are provided. Where performance obligations are sufficiently specific and have not been satisfied at year end, these amounts have been deferred and recorded as Grants in Advance at Note 13. These monies will be recognised as performance obligations are satisfied.

Donation and fundraising revenue is recognised as revenue upon receipt.

Interest revenue is recognised as it is earned.

All revenue is stated net of the amount of goods and service tax (GST).

(c) Cash and cash equivalents

For the purposes of the statement of cash flows, cash includes deposits at call, which are readily convertible to cash on hand and are subject to an insignificant risk of change in value, net of any outstanding bank overdrafts.

(d) Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost, less any provision for doubtful debts. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision is raised based on an expected credit loss method in accordance with AASB 9: *Financial Instruments*.

1. Summary of significant accounting policies (continued)

(e) Income Tax

The Incorporated Association is not subject to income tax.

(f) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(g) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Cost is measured as the fair value of the assets given up, liabilities undertaken at the date of acquisition plus incidental costs directly attributable to the acquisition. The purchase method of accounting is used for all acquisitions of assets.

The carrying amounts of property, plant and equipment are reviewed annually by the Committee to ensure they are not in excess of the recoverable amount from those assets.

Items with a cost in excess of \$1,000 are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliable. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

The depreciable amount of all fixed assets, including buildings is depreciated over their useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset

Depreciation Rate

Buildings Plant & Equipment at cost 2.5% 5% – 33.33%

An asset's carrying amount is written down to its recoverable amount, if the assets carrying amount is greater than its recoverable amount (refer note (i)).

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

Summary of significant accounting policies (continued)

(h) Land

Legal title to the land which St Catherine's Hostel Wangaratta Inc. occupies is held by the Roman Catholic Trusts Corporation for the Diocese of Sandhurst (Trusts Corporation). By convention, the Trusts Corporation holds legal title on behalf of and for the use of the Diocese of Sandhurst and its associated organisations, including St Catherine's Hostel Wangaratta Inc.

St Catherine's Hostel Wangaratta Inc. uses the land for aged care and considers it is entitled to occupy the land indefinitely. However, in the absence of holding legal title, the Committee of Management of St Catherine's Hostel Wangaratta Inc. has adopted the policy for accounting purposes of nominally treating this arrangement as a right to occupy (refer to note 9).

(i) Impairment of Assets

Assets that are subject to depreciation and amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less costs to sell and value in use. As the Association is a not-for-profit entity, the value in use is the depreciated replacement cost of the asset.

(j) Trade and other payables

These amounts represent liabilities for goods and services provided to the Association prior to the end of the financial year and which remain unpaid. The amounts are usually paid within 30 days of recognition.

(k) Employee entitlements

Short-term employee benefits

Provision is made for the Association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages and salaries. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Association's obligations for short-term employee benefits such as wages and salaries are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Provision is made for employees' annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on commonwealth bonds that have maturity dates that approximate the terms of the obligations. Any re-measurements of obligations for other long-term employee benefits for changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

The Association's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the association does not have an unconditional right to defer settlement for at least 12 months after the reporting date, in which case the obligations are presented as current provisions.

1. Summary of significant accounting policies (continued)

(I) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(m) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Association commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified 'at fair value through profit or loss' in which case transaction cost are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method or cost. *Fair value* represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties.

(n) Adoption of the New and Revised Accounting Standards

A number of Australian Accounting Standards have been issued or amended during the current year which may be applicable to the association but are not yet effective. The Committee has noted the likely impact of these amendments and have determined they will have an immaterial, if any, impact on the Association. Consequently, they have not been adopted in the preparation of these financial statements.

Independent auditor's report to the members of St. Catherine's Hostel Wangaratta Inc.

Opinion

We have audited the accompanying General Purpose – Simplified Disclosure financial statements of St. Catherine's Hostel Wangaratta Inc. ("the Association) which comprises the statement of financial position as at 30 June 2022, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes, and the statement by the members of the committee.

In our opinion, the financial statements of the Association are in accordance with the Associations Incorporation Reform Act 2012 and the Australian Charities and Not for Profits Commission Act 2012, including:

- a) giving a true and fair view of the Association's financial position as at 30 June 2022 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards Simplified Disclosures and complying with the Associations Incorporation Reform Regulations 2012 and the Australian Charities and Not for Profits Commission Regulation 2013.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial statements in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

In conducting our audit we have complied with the independence requirements of the Associations Incorporation Reform Act 2012 and the Australian Charities and Not for Profits Commission Act 2012.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 of the financial statements which describes the basis of accounting. The financial statements have been prepared for the purpose of fulfilling the Committee of Management's financial reporting responsibilities under the Associations Incorporation Reform Act 2012 and the Australian Charities and Not for Profits Commission Act 2012. As a result the financial statements may not be suitable for another purpose.

Independent auditor's report (continued)

Responsibilities of the Committee of Management for the Financial Statements

The Committee of Management of the Association is responsible for the preparation and fair presentation of the financial statements and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial statements which are appropriate to meet the requirements of the Associations Incorporation Reform Act 2012 and the Australian Charities and Not for Profits Commission Act 2012 and are appropriate to meet the needs of the members.

The Committee of Management is also responsible for such internal control as the Committee of Management determines necessary to enable the preparation of the financial statements that is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Committee of Management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/Home.aspx. This description forms part of our auditor's report.
